Mason E. Miller

Dear Scholarship Committee:

This letter is in reference to Mason Miller. I have known Mason now for about eleven years, the last three of which I have been his pastor. I have worked with Mason in youth group settings as well as at my home where he has personally helped my family. Mason has volunteered his time in service with nursery, children's church, numerous fundraisers, event set-ups, cleaning, snow removal and almost every aspect of church life. He is an extraordinary young man of exceptional spirit. He is intelligent, thoughtful, disciplined, sensitive to others around him, and willing to work hard at whatever task is at hand. Maybe most important to me, he is a young man of great integrity: I have entrusted him with personal things that I have not with other youth in my circle of relationships, and I have trusted him wholeheartedly. I believe Mason will be successful at whatever he puts his mind and heart to do, and that he will be an asset to any school or employer. I will gladly support him in any endeavor, and would be happy to make myself available for further questions.

Sincerely,

Matthew Preston
Pastor
